

JOINING THE GAMES AS A VOLUNTEER

➤ Who is the volunteer?

The role of World Sport Games volunteer will be directly involved in assisting operations and activities before and during the WSG21 in Emilia Romagna. The volunteer will be expected to play an active role in helping to create a positive and exciting atmosphere, to contribute to the overall success of the event.

✓ What do we offer?

Participating as volunteer to the WSG 2021 offers the possibility to be engaged in an international multi-sport event with thousands of participants coming from all over the world! You can develop new skills that will help you to improve your professional profile, such as transversal skills and English speaking. **We offer a training path that will be certified** both at national – by AiCS as National Sport for All Entity - and at international level – by CSIT as International Confederation. The training and the following certification will report the specific knowledge and skills that will be developed according to the different areas where the volunteer will be engaged.

Moreover, after the months of lockdown and social distancing, the World Sports Games will be **the first great opportunity to come back to sport and socialization**, always safe and according the health and security rules against COVID-19.

✓ Main Tasks?

WSG21 volunteers will provide support in areas such as transfers assistance, competition operation and operational support. They will be assigned to different areas of competence, venues and locations in which the event activities will be staged.

The areas in which the volunteers will be involved¹

- Arrival/Departure of participants and delegations
- Welcoming and assistance service in the delegations' Hotels and in the headquarter "Casa Italia"
- Assistance to the competition and events
- Technology support
- Operational support

¹ Please note that this may be subject to change as Games operational planning advances.
